You can make a purchase from a pawnshop. You and your immediate family can't own an interest in it, can't get a paycheck from one, and can't get a loan from a PB. But, you can purchase items from a pawnshop without tripping our ethics policy and 1181.05. Thanks for asking!

Tony, I need your opinion.

When I started here I was told I was not allowed to buy items from an Ohio pawnshop. During a discussion today someone said that was not true. I am not allowed to "pawn" (loan) an item but I am allowed to make purchases.

Please review and let me know as I would like to be able to make some purchases.
