In speaking with Diane Bauer, a state finance representative referred by Ron Milliron (ODOT District 4), she indicated that the State has two account listings for HCI. One is listed as Horner Construction, Inc. with a Federal I.D. Number of [REDACTED]. This one is set up for direct deposit and we do not want to use this one any longer.

The other listing is HCI with a Federal I.D. Number of [REDACTED]. This is the number to be used to receive paper checks and any State MBE sales need to be directed to use this number.

Diane Bauer, mentioned above, was very helpful in sorting out this information and said she would help with any other questions we may have.
